Unitil has discovered an error in the kWh data presented in the September filing and is re-filing the report with corrected data. The corrected data is shown in italics on page 2, all other values contained in the report are correct. Unitil is filing one (1) copy of this report by mail and electronically in accordance with the Commission's Electronic Report Filing program.

The monthly report contains three attachments:

Attachment A – Provides the System Benefits Charge Reconciliation Report for the monthly reporting period showing the amount of funds owed to or from Unitil. Unitil has a balance owed to the State of NH in the amount of \$86,953.47;
