**RE: DE 11-182, STETSON WIND II, LLC'S CERTIFICATION APPLICATION
PURSUANT TO RSA 362-F REQUEST FOR ADDITIONAL INFORMATION**

Dear Ms. Bernstein:

Reference is made to your letter dated September 28, 2011 regarding the request for additional information. Please see the answers to your questions and reference to additional information attached below:

- 1) Please see Exhibit A attached, specifically page 3 Section II(B) and Page 3 Section III for information relating to the fuel type and gross nameplate capacity. Please see page 4 of Exhibit A attached, specifically the last sentence of the letter which states the commercial operation date for the Stetson Wind II, LLC project.
- 2) Please see Exhibit B attached, providing the commission with the correct Massachusetts Statement of Qualification for Stetson Wind II, LLC.
- 3) Please see Exhibit C attached and marked confidential. First Wind Energy, LLC is the administrator to various wind projects. Evergreen Wind Power, LLC, Evergreen Wind Power V, LLC, Evergreen Wind Power III, LLC and Stetson Wind II, LLC are each Delaware limited liability companies and are indirect subsidiaries of First Wind Holdings, LLC.
- 4) Please see Exhibit D attached providing a statement that the Facility's output has been verified by ISO-New England.

Should you have any questions relating to this additional information please feel free to contact me at (617) 960-9644.
