RE: Special Contract

Dear Ms. Howland:

On November 3, 2011, pursuant to Chapter 378:18-b of the New Hampshire Statutes and PUC 1606.01 of the New Hampshire Code of Administrative Rules, Northern New England Telephone Operations LLC d/b/a FairPoint Communications - NNE ("FairPoint") filed for approval of the New Hampshire Public Utilities Commission ("Commission"), a Special Contract into which FairPoint proposed to enter. An unredacted copy of that Special Contract is provided with this filing for reference.

FairPoint represented that the materials marked "Proprietary Information" pertained to the provision of competitive services; set forth trade secrets or other proprietary information falling within the scope of RSA 91-A:5 and PUC Rule 201:4(5) and were not general public knowledge or published elsewhere; FairPoint having taken measures to prevent dissemination of the information in the ordinary course of business.

Also attached herein are redacted copies of the contract and "Overview of Contract" documents for public disclosure. FairPoint does not oppose the distribution, upon valid request, of the attached copy of this contract that has been redacted to remove the customer's name and other identifying information, but leaving all other terms and conditions. The unredacted version and price floor analysis previously submitted, should continue to be treated as proprietary.

Please return the copy of this filing marked "Duplicate" with your stamp of receipt.

Yours truly,

State Regulatory Matters
