RE: DE 11-250 PSNH Investigation of Scrubber Costs and Cost Recovery

Dear Ms. Howland,

On December 23, 2013, in compliance with a procedural order of the Commission, CLF submitted the pre-filed testimony of Elizabeth Stanton, with exhibits. Among those exhibits was a PDF entitled: Exhibit 4 Merrimack Cashflow using 2008 energy price projections. Exhibit 4 as filed contains a formatting error that likely occurred when the document was converted from its original Excel spreadsheet form to a PDF. To most expediently correct this error, enclosed for filing please find the underlying and original Excel spreadsheet. I have labeled this: Exhibit 4 Merrimack Cashflow using 2008 energy price projections in Excel. Please substitute the Excel exhibit for the PDF version of Exhibit 4.

Thank you for your attention to this matter, and please do not hesitate to contact me with any questions or concerns by electronic mail or at (207) 210-6439.

Very truly yours,
