**TO:** Debra Howland, Executive Director

On November 28, 2011, Bretton Woods Telephone Company Inc., filed a Traffic Exchange Agreement (Agreement) with Verizon Wireless pursuant to Section 252 of the Telecommunications Act of 1996, 47 U.S.C. § 252(e).

Staff reviewed the Agreement and notes that the filing meets the standards of section 252(e)(2)(A) of the Telecommunications Act of 1996. The Agreement appears not to discriminate against any carrier and is consistent with the public interest, convenience and necessity. Staff recommends that the Commission allow this Agreement to go into effect by operation of law 90 days after originally having been filed. In this case, this Agreement would become effective on or about February 26, 2012.
