Re: DRM 12-036; Rulemaking Puc 400 - Telephone Service

Dear Ms. Howland:

Regarding the July 6, 2012 filing in the subject proceeding by the New Hampshire Telephone Association, it has come to our attention that pages 83 through 172 of the blacklined paper version of the proposed rules were inadvertently omitted. Enclosed are eight (8) copies of those additional pages.

Very truly yours,

Harry N. Malone
