

APPENDIX II-H

INCORPORATION BY REFERENCE STATEMENT

**\*\*PLEASE LIST THE FOLLOWING:**

1. Name of Agency.      **Public Utilities Commission**
2. Person who has reviewed the material to be incorporated into the agency's rules:

Name:      **Kathryn M. Bailey**      Title:  
  
                 **Director of**  
                 **Telecommunications**

Address:    **Public Utilities Commission**      Phone #:    **271-2431**  
                 **21 South Fruit Street, Suite 10**  
                 **Concord, NH 03301-2429**

3. Specific rule number where the material is incorporated:

**Puc 406.01(a)**

**Puc 410.06(h)**

**\*\*PLEASE ATTACH THE FOLLOWING**, numbered to correspond to the number on this sheet (a separate sheet is not required for every item):

4. The complete title of the material which is to be incorporated including the date on which the material became effective (or a document identification number) or, if the material is undated Internet content, the date the material was accessed and printed, and the title of the entity that created or promulgated the material.
5. How the agency modified the text of the material incorporated, clearly identifying where amendments have been made to the text.
6. How the material incorporated can be obtained by the public (include cost and the address of the unrelated third party which published the material, and the Internet source URL if it appears in the rule, for example if the material is Internet content only available online).
7. Why the agency did not choose to reproduce the incorporated material in full in its rules. The discussion shall include more than the obvious reason that it is less expensive to incorporate by reference.

Attachment to Appendix II-H  
Incorporation by Reference Statement

Notice No. 2013-51  
Puc 400, Rules for Telephone Utilities  
Final Proposal

4. The following materials have been incorporated by reference in the Puc 400 Final Proposal rule provisions highlighted in bold type:

Institute of Electrical and Electronics Engineers Standards Association (IEEE Standards Association) standards: National Electrical Safety Code (2012 edition)  
**(Puc 406.01(a); Puc 410.06(h))**

Available at: <http://techstreet.com/ieee> at the cost of \$175.00

(IEEE contact information: IEEE Standards Association, 3916 Ranchero Drive, Ann Arbor, Michigan 48108)

Also available for review at the Public Utilities Commission.

5. The agency did not modify any of the text of materials incorporated by reference.

6. Copies of the materials incorporated by reference can be reviewed by the public at the Commission, or obtained as noted above under the title of the text.

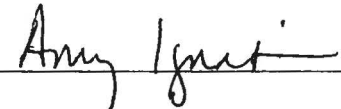

7. The Commission chooses not to reproduce the incorporated materials in full in the Puc 400 rules due to the volume of the materials and the inclusion of graphic illustrations in those materials.

NEW HAMPSHIRE DRAFTING AND PROCEDURE MANUAL

**\*\*PLEASE SIGN THE FOLLOWING:**

I, the adopting authority,\* certify that the text of the material which the agency is incorporating by reference in these rules has been reviewed by this agency. To the best of my knowledge and belief, this agency has complied with the requirements of RSA 541-A:12, IV and Section 3.12 of Chapter 4 of the Drafting and Procedure Manual for Administrative Rules. I further certify that the agency has the capability and the intent to enforce the material incorporated into the rules, as identified above.

Date: December 12 , 2013

Signature: 

Name: Amy L. Ignatius

Title: Chairman

\*("Adopting authority" is the official empowered by statute to adopt the rule, or a member of the group of individuals empowered by statute to adopt the rule.)
