Dear Susan Olsen,

We received your application to be registered as an aggregator in New Hampshire. Our review shows that you did not provide "a copy of the applicant's authorization to do business in New Hampshire from the secretary of state" which is required pursuant to Puc 2006.2(5). If you intend to apply as a person, please revise the application accordingly. If you want to use the trade name, please update your application with the documentation required under Puc 2006.2(5). Please respond to this letter within the time frame illustrated in Puc 2003.04 (h):

If the commission has requested information or clarification to complete the application for notification, and such information or clarification is not provided within 60 days of the request, the commission shall suspend the application. If, after 120 days of the date of the request, the applicant has not provided the requested information or clarification, the commission shall reject the application. If an application is rejected, the application fee shall be forfeited and the applicant shall be required to submit a new application and fee prior to acting as an aggregator in New Hampshire.

If you have any question, please do not hesitate to contact me.
Thanks!
