SUBJECT: DM 12-046 Notice of Municipal Power Group's Intent to Provide
Electric Aggregation Service; Staff Recommendation

TO: Debra Howland
Executive Director

On February 17, 2012 Municipal Power Group (MPG) notified the Commission of its intent to provide electric aggregation service. MPG's application was incomplete as it did not provide the authorization to do business in New Hampshire pursuant to Puc 2006.02(a)(5). On April 9, 2012, MPG provided the required authorization. The application has been reviewed and the Company has complied with the requirements of Puc 2006.02. Staff recommends that MPG be registered to provide electric aggregation service in New Hampshire.
