Please accept this letter concerning Satori Enterprises dba Satori Energy ("Satori") re-instatement as an aggregator in New Hampshire. The registered agent which Satori had utilized in the past did not forward information accordingly, we moved offices and ultimately Satori was not able to file the renewal paperwork by May 2011.

As clarification, Satori does not work as an aggregator in New Hampshire – we do not aggregate multiple customers in the same transaction. We work as a broker, finding the best deal for each individual client based on their own specific needs and goals.

Please find the PUC 2006.02 completed form attached along with the renewal check enclosed for \$125.00. If you have any questions or comments, please do not hesitate to contact me.
