**RE: DG 12-067; EnergyNorth Natural Gas, Inc.
Monthly Cost of Gas Trigger Report – October 2012 Trigger Page**

Dear Ms. Howland:

On September 25, EnergyNorth Natural Gas, Inc. d/b/a Liberty Utilities (the "Company") filed its adjusted 2012 Summer Cost of Gas rates to be effective October 1, 2012. The cover letter associated with that filing incorrectly referred to the Company's tariff pages as *First Revised Pages 1, 3, 76 and 87* when the letter should have referred to the tariff pages as the *Third Revised Pages 1, 3, 76 and 87*. The tariff pages that were submitted with the filing were correctly labeled. I apologize for any inconvenience this may have caused.

Please do not hesitate to call if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark Sorgman".
