Re: Northern Utilities, Inc., New Hampshire Division - Docket DG 12-068
June 2012 Monthly Cost of Gas Report

Dear Director Howland:

Pursuant to the Commission's Order No. 25,282 in Docket DG 12-068, enclosed are an original and one copy of Northern Utilities - New Hampshire Division's (the Company) current calculation of its projected over or under collection of gas costs ending October 31, 2012 for the 2012 summer season. The Company is also providing a summary of its hedging transactions and monthly inventory interest calculation, both updated through May 2012.

The calculation, which reflects the Company's actual May 1, 2012 balance and gas futures prices as of June 20, 2012, produces an anticipated over-recovery of \$27,949 or 0.87 percent of the total anticipated gas costs for the summer 2012 period. At this time, Northern is not proposing a rate change.

If you have any questions regarding this filing, please do not hesitate to contact me or Chris Kahl at (603)773-6425.

Very truly yours,

George H. Simmons Jr.
