Re: Global Montello Group Corp.'s Electric Aggregator Renewal

Dear Ms. Howland:

Global Montello Group Corp. is an Electric Aggregator pursuant to Puc 2003.04. Global delivered its renewal application on March 27, 2012; however, due to an administrative oversight, our renewal registration did not comply with Puc 2003.05(a) which requires a renewal to be filed at least 60 days prior to the expiration of the current registration. Therefore, pursuant to New Hampshire Code of Administrative Rules Puc 201.05, we are requesting a waiver from the Commission as to said 60 day requirement, and we are requesting the acceptance of our previously submitted renewal application.

Should you require additional information or have any questions, please do not hesitate to contact either Philip Segaloff, Esq. at (781) 398-4436 or me at (781) 398-4133.

Thank you.

Sincerely,
