Re: DM 12-079, Notice of Global Montello Group Corp.'s Intent to Renew Its Registration as a Provider of Electric Aggregation Service

Dear Mr. Bowersox:

This is to confirm that the New Hampshire Public Utilities Commission (Commission) has received Global Montello Group Corp.'s (Global Montello) notice of intent to renew its registration as a provider of electric aggregation service in New Hampshire pursuant to Puc 2003.05. Staff has reviewed the application provided and believes that it meets the requirements of Puc 2003.05. Based on Staff's recommendation and the Commission's review, the Commission approves Global Montello's renewal of its registration as a provider of electric aggregation service in New Hampshire.

Please note the following provision of Puc 2003.05 (f): "[E]ach approved aggregator shall re-notify the commission after the initial 2 year period, or after the 5 year renewal period as applicable, by filing with the commission an application for renewal at least 60 days prior to the expiration of the currently effective registration." Global Montello's original notice anniversary date is **April 5, 2006** and therefore it is required to re-file an up-to-date written notice on or before **February 5, 2017** if it continues to offer and provide electric aggregation service. In addition, Global Montello is subject to the provisions of Puc 2004.03, telephone solicitation of customers, and Puc 2004.07, customer protections provided by aggregators. In addition, Global Montello is subject to the provisions of Puc 2004.03, telephone solicitation of customers, and Puc 2004.07, customer protections provided by aggregators. Finally, aggregators must comply with the requirements set out in RSA 362-F relative to the renewable portfolio standard (RPS) and RSA 362-F relative to disclosure of electric service energy sources and environmental characteristics. Please refer to Puc 2500 for further details regarding RPS reporting requirements. Commission Order No. 25,264 provides guidance as to the appropriate format for environmental disclosure.

If you have any questions regarding these provisions, please contact the Commission. Thank you for your cooperation in this matter.

Sincerely,

Debra A. Howland
Executive Director
