Re: DW 12-085; Aquarion Water Company of New Hampshire, Inc.

Dear Ms. Howland:

Enclosed herewith please find for filing in the above matter, corrected testimonies for the following witnesses, whose testimonies were earlier filed on January 11, 2013 in behalf of the Intervener Town of Hampton:

1. Direct Testimony of David C. Parcell (please substitute new cover page and new first page to note that Mr. Parcel's testimony is also being submitted in behalf of the Intervener Town of North Hampton)
2. Direct Testimony of Frederick W. Welch (please substitute new set to correct mathematical errors on pages 2 and 5)

I have checked with counsel for the Aquarion Water Company, and he has no objection to these corrections being made in this fashion.

Thank you for your cooperation in this regard.

Very truly yours,

Mark S. Gearreald, Esq.
Hampton Town Attorney
