RE: DT 12-107, New Hampshire Optical Systems, Inc.  
Petition for an Investigation into Proposed Charges for Utility Pole Make Ready  
Extension of Time to File Comments

To the Parties:

On February 14, 2013, New England Cable and Telecommunications Association (NECTA) requested an extension of time until March 7, 2013 to file comments on Staff's Report and Recommendations dated January 30, 2013. According to the request, parties to this docket were unaware that a deadline for submitting comments had been established until a secretarial letter issued on February 13, 2013 extended the time to file comments to February 20, 2013. NECTA represents in its request that CANNE and PSNH support the request; UES does not object; and NHOS takes no position.

The Commission has determined that the extension will not unduly delay the proceeding or adversely affect the rights of any party. According, the request has been granted. Comments on Staff's Report and Recommendations are due March 7, 2013.

Sincerely,

A handwritten signature in blue ink that reads "Debra A. Howland".

Debra A. Howland  
Executive Director
