Re: DT 12-107 – New Hampshire Optical Systems, Inc.

Dear Ms. Howland:

At the request of Staff, I write to confirm that New Hampshire Optical Systems, Inc. (“NHOS”) and segTEL, Inc. (“segTEL”) have reached a settlement of the disputes between these parties that NHOS raised or could have raised in Docket DT 12-107. From NHOS’s perspective, the settlement resolves all make-ready issues impeding the completion of the Middle-Mile Project which are within the scope of the Commission’s investigation in DT 12-107. NHOS recognizes this settlement resolves DT 12-107 and does not affect the Commission’s handling of DT 12-246. In addition, NHOS reserves the right to seek future relief from the Commission should issues arise which impede work on the Middle-Mile Project.

Sincerely,

Christopher H.M. Carter
