**Re: Docket No. DT 01-006; Northern New England Telephone Operations LLC d/b/a  
FairPoint Communications – NNE Performance Assurance Plan**

Dear Ms. Howland:

Northern New England Telephone Operations LLC d/b/a FairPoint Communications – NNE (“FairPoint Communications”) hereby files an original and two (2) disc copies the May 2015 reports under the Performance Assurance Plan (“PAP”). The reports provide the preliminary and final credits calculated for May performance, and are marked as such. As described in the PAP, final credits owed for the May performance month are subject to adjustment based upon the previous two months’ performance.

Separate proprietary versions of the preliminary and final May 2015 PAP reports containing carrier-specific performance and bill credit calculations (which are used to allocate the credits among eligible CLECs) are being filed with the New Hampshire Public Utilities Commission and the Office of Consumer Advocate under separate cover.

These are the final set of wholesale reports that will be issued using the PAP Guidelines. Starting with the June 2015 data month FairPoint will begin issuing monthly performance reports to eligible CLECs pursuant to the terms of the Wholesale Performance Plan (“WPP”), a copy of which was filed April 16, 2015 in compliance with the Commission’s approval orders in Docket DT 11-061. As set forth in the WPP, FairPoint will file aggregate WPP performance reports with the Commission within 28 days of the end of each month or by the next business day if the 28<sup>th</sup> is a weekend or holiday.

Please contact me should you have any questions.
