Re: DW 10-141 Lakes Region Water Company

Dear Ms. Howland:

In accordance with Public Utilities Commission's order (Order No. 25,196) approving temporary rates dated February 18, 2011, enclosed are original and 5 copies of Lakes Region Water Company's ("Company") revised tariff pages. The revised tariff pages are in compliance with order no. 25,196.

Please note that the Company is submitting two sets of revised pages. The 2<sup>nd</sup> Revised Pages reflect the approved temporary rates. The 3<sup>rd</sup> Revised Pages reflect the combination of the temporary rates and the Step 3 rate increase. The Step 3 rate increase was approved by the Commission in its order (Order No. 25,197) dated February 18, 2011 in Docket DW 08-070. The Settlement Agreements in both dockets provided that the rate increases be combined and implemented simultaneously.

If you have any questions or comments, please contact the Company at (603) 476-2348.

Sincerely,

A handwritten signature in black ink, appearing to read 'Thomas Albert Mason'.
