Re: Lakes Region Water Company
Docket No. 10-041141

Dear Clerk Howland:

This letter is to advise the Commission that Lakes Region Water Company is hereby withdrawing its request for a step increase associated with the Mt. Roberts property at this time. The Company reserves the right to revisit this issue before the Commission at some appropriate time in the future. Absent an objection from a party or subsequent order from the Commission, it is our belief that it will be unnecessary for the Company to respond to any outstanding or future data requests relating to the now-withdrawn step increase.

If you should have any questions, please don't hesitate to call.

Sincerely,

A handwritten signature in black ink, appearing to be "DC".
