NHPUC 25NOV19PM4:23

DATE: November 25, 2019

AT (OFFICE): NHPUC

FROM: Karen P. Cramton, Director, Sustainable Energy Division

SUBJECT: DE 10-212, Commercial and Industrial Solar Rebate Program
Recommendation to Schedule a Stakeholder Session

TO: Debra A. Howland, Executive Director

CC: David K. Wiesner, Director, Legal Division

Commission Staff recommends that the Commission schedule a technical session to discuss potential modifications to the commercial and industrial solar incentive program (Program), consistent with the Commission secretarial letter issued on November 6, 2019.

That letter directed Staff to schedule a technical session to solicit stakeholder input on modifications to the Program terms and conditions, including, but not limited to, consideration of reduction in rebate levels to enable funding for more projects, limitation of Program funding only to projects needing an incentive to move forward, and simplification of the application and review processes.

Staff recommends that a technical session with interested stakeholders be scheduled for December 12, 2019 starting at 10:00 a.m. Staff expects to circulate an outline of potential Program modifications for stakeholder review prior to the technical session.
