Re: Request for waiver for Rule Puc 2003.05(a) pursuant to Puc 201.05

Dear Ms. Howland:

I respectfully request a waiver for rule Puc 2003.05(a) pursuant to Puc 201.05 as it relates to ALLMass Energy, LLC 'license renewal application for provider of electric aggregation services which has expired due to my failure to submit the renewal application within the 60 days prior to the anniversary date as required by the Commission.

My failure to apply within the required time was my error in not realizing the renewal application was due 60 days prior to the anniversary date. Secondly I was battling some health issues which were taking time away from my business responsibilities.

Thank you for your consideration of my waiver request. If you have any questions please feel free to contact me.

Sincerely,

William J. McBride, Manager & Sole Proprietor
