**SUBJECT:** DM 12-173 Notice of ALLMass Energy, LLC (ALLMass Energy) intent to renew its registration as a provider of electric aggregation service; Staff Recommendation

**TO:** Debra Howland  
Executive Director

On July 23, 2012, the Commission received ALLMass Energy's notice of intent to renew its registration to provide electric aggregation service in the State of New Hampshire, pursuant to New Hampshire Administrative Rules Puc 2003.05. ALLMass Energy first registered in 2010, and its registration expired on May 12, 2012. Pursuant to Puc 2003.05(a), ALLMass Energy's renewal application was due 60 days prior to the expiration date. On August 30, 2012, ALLMass Energy requested a waiver of the rule. Considering the general confusion among aggregators regarding the adoption of a revised Puc 2000 on August 25, 2010, Staff recommends that the application be considered as a renewal for this instance only and that the Commission grant the waiver of Puc 2003.05(a).

The application has been reviewed and the Company has complied with the requirements of Puc 2006.02. Staff recommends that ALLMass Energy's application to renew its registration as a provider of electric aggregation service in New Hampshire be approved.
