RE: Docket D 12-220

This letter is in response to your communication on August 24, 2012, pertaining to Docket DE 12-220.

On August 24, 2012 we noted a discrepancy between the rated AC power of the system (27.6 kW) and the interconnection capacity of the system (24 kW). Please note this clarification to our application for RECs.

Sincerely,

Mike Novello
