RE: DW 12-254, Forest Edge Water Company  
Temporary and Permanent Rate Proceeding  
Correction to Exhibits 10 and 11 Record Requests

Dear Ms. Howland:

On February 28, 2013, the Commission held a hearing in this matter and reserved Exhibits 10, 11, and 12 for record requests. Exhibit 10 was reserved for Mr. Richard Lake to provide water sampling location documentation and Exhibit 11 was reserved for Forest Edge to provide water sampling location documentation. Exhibit 12 was reserved for documentation regarding a well deepening.

On May 8, 2013, on behalf of Forest Edge, Staff filed three documents from Forest Edge and erroneously labeled them Exhibits 10 and 11. It is now clear that the water sampling data filed as Exhibit 10 should have been filed exclusively as Exhibit 11. There is no change to Exhibit 12. Staff understands that on May 17, 2013, Mr. Lake filed his documents as Exhibit 10 and that there are no further outstanding record requests. Thank you and I apologize for any confusion caused by the May 8<sup>th</sup> filing.

Sincerely,

A handwritten signature in cursive script that reads "Marcia A. Brown".
