

The State of New Hampshire

Public Utility Commission

Nov 29

Case #

DW 12-254

Forest Edge Water Co

2013

Motion of Appeal & Motion to

Reconsider the PVC Order

of November 1, 2013 as Received

NHPUC INOV13AN10:00

by Petitioner November 5, 2013

1. The Petitioner after carefully reading & trying to comprehend said order is unable to understand the overwhelmingly order.
2. It apparently includes an order as to tariff for the Forest Edge Water Co which likewise the Petitioner cannot decipher.
3. The order makes no reference to the facts submitted by Petitioner while voluminous contains much information that should be inclusive in the rendering of the order.

4. The costs as approved do not match the Annual Report as filed by the Forest Edge Water Co.

5. It appears to Petitioner that the Forest Edge Water Co has not submitted verifiable payments for the Case.

6. The Petitioner understands that the PUC has a duty to protect the Public to see that the matters as submitted are accurate and true.

Wherefore Petitioner respectfully requests that the P.U.C. place their order on hold ^{into said} until the Petitioner & the PUC review the true facts and issue a fair decision that protects the Public users of the FBWC.
