SECTION 3 - DESCRIPTION OF SERVICE**3.1. APPLICATION OF RATES**

3.1.1. Timing of Calls

- A. The Customer's usage charge is based on the actual usage of Company's Service. Usage begins when the receiver of the called number is answered. The moment of the called party's answer and termination is determined by hardware supervision in which the distant local telephone company sends or ends a supervision signal to Company's switch or the software utilizing audio tone detection. The timing of the call occurs when the called party answers and terminated when either party hangs up.
- B. Unless otherwise stated in this Tariff, the minimum call duration for billing purposes is thirty-seconds with six-second billing increments thereafter.
- C. Any portion of an applicable increment, after the appropriate minimum time for the call, will be rounded upward to the next increment. Calls less than the minimum length will be rounded to the minimum length.
- D. There is no billing for incomplete calls.

3.1.2. Service Areas

- A. Local Exchange Service is offered throughout the State of New Hampshire within the territories of the ILEC.
- B. Unless otherwise specified in this Tariff, Company's Interexchange Service area is statewide.
- C. Company's description of service area in no way compels Company to provide any Service in an area where facilities or other extenuating factors limit Company's ability to provide Service.

SECTION 3 - DESCRIPTION OF SERVICE, Continued**3.2. 365's TELECOMMUNICATIONS SERVICES**

3.2.1 Business Local Exchange Service - Where technically and economically feasible, the Company offers local exchange telecommunications services to Business Customers which provides the Customer with basic business access lines allowing connectivity to the local service network. The Customer's total monthly use of the Company's service is charged at the applicable rates, in addition to any monthly service charges. Company provides Business Local Exchange Service on a measured rate basis. Calls are billed in one (1) minute increments and partial-minute calls are rounded up to the next minute. A one (1) minute initial billing minimum is applicable on each call, unless otherwise specified in this Tariff.

3.2.2. Directory Assistance (DA) is provided by 365's underlying Carrier to subscribers of record. The Customer may access the underlying Carrier's Directory Assistance by dialing the area code plus 555-1212. The Customer will be billed for such service by 365.

3.2.3. Operator Assisted Calling Services - 365 provides operator assisted calling as an ancillary service exclusively to its subscribers. Operator assisted calling services are provided to subscribers by the Company's underlying Carrier at the underlying Carrier's rates, terms and conditions, pursuant to underlying Carrier intrastate tariffs on file with the Commission. The Company does not offer alternative operator services to the transient public.

SECTION 3 - DESCRIPTION OF SERVICE, Continued

3.2.4. **911 Service** - 911 is the three-digit telephone number designated throughout the United States as the emergency telephone number to be used by the public to obtain law enforcement, medical, fire, rescue, and other emergency services.

Where offered, the Service shall include a 911 Emergency System, including but not limited to Enhanced 911 services, pursuant to applicable federal, Massachusetts, and local laws and regulations. This system will provide use of the exchange network at no charge to the caller on a per call basis. Any calls from a pay telephone shall not require a coin to be deposited or payment of any charge for 911 calls. Company shall also provide the ability to transfer calls from a Public Safety Answering Point (PSAP) to the proper Emergency Response Agency (ERA), as required.

3.3. **INTEREXCHANGE SERVICE OFFERINGS** - Where technically and economically feasible, the Company offers interexchange telecommunications services to business Customers pursuant to contractual arrangements. The Customer's total monthly use of the Company's service is charged at the applicable rates, in addition to any monthly service charges. Calls are billed in six (6) second increments. A thirty (30) second initial billing minimum is applicable on each call, unless otherwise specified in this Tariff.

3.3.1. **365 1+ Service** offers users outbound 1 plus long distance telecommunications services. The service offers direct dial capabilities of other underlying Carrier(s) network services.

3.3.2. **365 Toll Free (800) Service** offers users inbound, toll free long distance telecommunications services. The service offers direct dial capabilities of other underlying Carrier(s) network services.
