Re: DM12-268 Satori Enterprises LLC
Natural Gas Aggregator Registration Application

Please accept this letter in response to the letter from the Commission dated October 30, 2012. In response to the deficient items:

- Puc 3003.04(a)
 - Satori Enterprises LLC was not aware that a separate natural gas license was required by the Commission and signed one customer with a supplier before applying the natural gas license. Upon learning that a license was required, Satori Enterprises LLC did not take solicit any additional customers and is not accepting payments on that deal.
- Puc 3006.01(a)(5)
 - Please see enclosed from the Secretary of State.
- Puc 3006.02(a)(6)
 - Hess Corporation
 - Sprague Operating Resources, LLC
 - South Jersey Energy Company

Please contact me if you have any questions or comments.
