Re: City of Somersworth
DW-12-272

Dear Ms. Howland:

Since the issuance of the Commission's October 5, 2012 Order No. 25,420, it has come to the city's attention that there was a slight error on the plan that was filed with the Commission in connection with this petition. The error was a misidentification of a tax map and lot number, which in no way changes the relief sought or the actual properties to be served by the city's water.

I enclose a letter explaining the error, as well as a revised plan, for the Commission's records. Should the city need to take any additional steps to correct this minor error, please let me know.

Thank you for your assistance and please do not hesitate to contact me with any questions or concerns regarding the enclosed.

Sincerely,

Laura Spector-Morgan
