Re: Second Request for Additional Information (Fourth Item) (Docket # 12-278)

Dear Ms. Howland:

Per its letter dated December 12, 2013, Staff of the Commission made, among other things, the following request for additional information of Contoocook Hydro, LLC ("Contoocook" or the "Applicant") pertaining to its Application for Class I certification for a portion of the generation from its Hopkinton Hydro Project (the "Project" or the "Facility").¹

- Provide a copy of all information submitted to the Rhode Island Public Utilities Commission and/or its consultant in support of the Hopkinton Hydro application in Docket No. 4357, with the exception of any such information that is posted on the public web site maintained by the Rhode Island PUC.

Enclosed please find Contoocook's responses to Staff's request for this additional information.

Contoocook wishes to inform the Commission that the Commission is now in possession of confidential, material non-public information on its Project. Once Staff has made a preliminary review of the Applicant's information, Contoocook requests Staff's assistance in obtaining confidential treatment of these documents by the Commission.

¹ There were five such general requests for additional information. This response covers only one of the five requests and, specifically only the fourth request.

For purposes of responding to inquiries regarding these responses for requests for additional information, persons should contact the following:
