Re: Docket 2013-00163; Petition for Certification of Hopkinton Hydro Project as a Maine RPS Class I Renewable Resource or, Alternatively, a 42.75% Maine RPS Class I Renewable Resource and a 57.25% Maine RPS Class II Renewable Resource (the "Petition")

Dear Ms. Geraghty:

Per an oral request from Staff assigned to Contoocook Hydro, LLC's petition to certify its Hopkinton Hydro Project (the "Facility") as a Maine Class I Renewable Resource ("Protective Order"), I, William P. Short III, hereby submit to the Maine Public Utilities Commission (the "Commission") for its review and consideration the following:

- (1) The Facility's FERC Dam Safety letters (1998-2006) are enclosed. These letters are subject to the Protective Order issued the Commission in this proceeding as well as are considered by FERC as CEII materials.

If you have any questions or concerns about this material, please do not hesitate to contact either of the following persons:
