RE: DE 12-292, Public Service Company of New Hampshire
Review of PSNH Generation Costs
Revised Report and Motion for Confidential Treatment

Dear Ms. Howland:

On December 12, 2012, Public Service Company of New Hampshire (“PSNH”) submitted a review of its generation costs (the “Report”) in the above-referenced docket consistent with the Commission’s directive in Order No. 25,380 (June 27, 2012). Coincident with that submission, PSNH requested confidential treatment of the entire Report. At the hearing in this docket on December 18, 2012, the Commission raised concerns about the need to protect the entire Report from disclosure and requested that PSNH work with Staff and the Office of Consumer Advocate (“OCA”) to determine appropriate redactions. By Order No. 25,448 (December 28, 2012), the Commission required that PSNH submit a redacted Report within 14 days – by January 11, 2013.

By this submission, PSNH provides a redacted version of the Report as well as a revised for request for confidential treatment relating only to the portions that have been redacted. PSNH sought the input of Staff and the OCA when determining appropriate redactions. Consistent with Puc 201.04, PSNH also provides a confidential, unredacted version the Report to the Commission, Staff and the OCA only.

If you have any questions, please do not hesitate to contact me. Thank you for your assistance with this matter.

Very truly yours,

Matthew J. Fossum
