Re: DW 12-355, Dockham Shores Estates Water Company, Inc.
Staff Report on Review of Tariff

Dear Ms. Howland:

On August 20, 2013, the Commission held a hearing on the merits regarding permanent rates for this water utility. During the hearing, the utility noticed that it had left out the word "reasonable" within its paragraph 17, Right of Access, when it re-typed the old tariff. The utility indicated that it had not intended to change this paragraph.

At the hearing, in light of the error found in paragraph 17, Staff offered to review the entire tariff to make sure there were no other errors. Staff has conducted its review and reports at this time that it found no other errors. Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Marcia A. Brown".
