RE: Initial Registration of Natural Gas Aggregators

To Whom It May Concern:

This cover letter is being written as part of the process of registering Howard Energy Services, Inc. as a natural gas aggregator in the State of New Hampshire.

As president and sole proprietor of Howard Energy Services, I ask that you keep my address strictly confidential.

After 30 years in the New England natural gas markets, I spend winters in Florida now but maintain a very strong local presence with my customers. What I do is very simple. I sell natural gas supply contracts for Metromedia Energy. My former employer, Shapiro Enterprises, is an agent of Metromedia Energy. Howard Energy Services is a contractor working exclusively for Shapiro Enterprises.

After nearly twenty years working for the gas utility in Maine, Northern Utilities, I became an employee of Shapiro in 2003. Shapiro has been an agent of Metromedia Energy since then, using my experience in the natural gas business to sell supply contracts.

Please review the attached registration form and let me know if more information is needed. Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "W. Howard".

William E. Howard
President
