Re: DW 12-359 Pennichuck Water Works, Inc.-WICA Filing
Proposed Procedural Schedule

Dear Ms. Howland:

On January 30, 2013, Staff, the Office of the Consumer Advocate, Pennichuck Water Works, Inc. (PWW), Mr. Fred S. Teeboom, and Mr. Geoffrey M. Daly met in a technical session after the prehearing conference. Staff and the participants discussed the proposed WICA projects as well as developments that have occurred since PWW's December 19, 2012 filing. PWW intends to file these updates with the Commission. Staff and the participants also discussed the below procedural schedule and request the Commission approve it.

Data Requests	February 22, 2013
Data Responses	March 8, 2013
Technical Session	March 14, 2013, 9 AM
Recommendations from Staff/Parties	March 22, 2013

No hearing date has been proposed; PWW intends to seek an order nisi, however, Staff and the other participants reserve offering an opinion until such time as they file their respective recommendations. The Commission did not rule on the intervention requests of Messrs. Teeboom and Daly and each understand that before they can propound discovery on PWW, they must be given intervention status in this proceeding. Staff and the participants intend to convey data requests and responses electronically. Thank you in advance for your consideration.

Sincerely,

A handwritten signature in cursive script that reads "Marcia A. Brown".
