Shapiro Enterprises no longer does business in NH. We only had one account and that account grossed only \$7500 of revenue. We would like for you to withdraw our registration to do business in NH. Shapiro is in the process of closing its business within the next few months.

In the light of the above information we ask that you entertain abating the annual assessment of \$2000 sent to us. Shapiro assets are minimal with no liquid assets.

Thank you

MICHEL Francoeur, Treasurer
