Dear Ms. Howland:

In compliance with your Secretarial Letter dated February 8, 2013, enclosed please find a compact disk containing this letter and a worksheet, in Excel format, listing the name, address and service class for each customer account for which the subject waiver was requested. Please note that all of these customer accounts are in the PSNH service territory.

As noted in the Secretarial Letter, the Commission found that the enclosed list constitutes confidential proprietary financial information, and will give this list confidential treatment without the necessity of filing a motion for confidential treatment.

Very truly yours,
