SUBJECT: DM 13-237 REP Energy, LLC
Request to Expand Service Area

NHPUC 11MAR14PM3:06

TO: Commission
Debra Howland, Executive Director

On March 10, 2014, REP Energy, LLC (REP Energy), a competitive electric power supplier currently authorized to operate only in the franchise areas of Unitil Energy Systems and New Hampshire Electric Cooperative, filed a request to expand its service territory to include the franchise area of Liberty Utilities (Liberty). REP Energy provided a copy of a certificate demonstrating that it had completed electronic data interface testing (EDI) with Liberty.

Staff reviewed the information in the request and believes REP Energy's filing meets the requirements to extend its service territory into the franchise area of Liberty. Staff, therefore, recommends that the Commission approve REP Energy's request to include the franchise area of Liberty in its service territory.
