CONFIDENTIAL RESPONSE

Question 15

A statement as to whether the applicant or any of the applicant's principals:

- a. Has, within the 10 years immediately prior to registration, had any civil, criminal or regulatory sanctions or penalties imposed against them pursuant to any state or federal consumer protection law or regulation;
- b. Has, within the 10 years immediately prior to registration, settled any civil, criminal or regulatory investigation or complaint involving any state or federal consumer protection law or regulation; or
- c. Is currently the subject of any pending civil, criminal or regulatory investigation or complaint involving any state or federal consumer protection law or regulation

Response to Question 15

Neither the Applicant, as that term is defined in New Hampshire Code of Administrative Rules Part Puc 2002.03, nor the Applicant's principals have been subject to any civil, criminal or regulatory sanctions or penalties imposed against them as a result of a finding that they violated any state or federal consumer protection law or regulation within the 10 years immediately prior to registration.

The Applicant has not settled any civil, criminal or regulatory investigation or complaint involving any state or federal consumer protection law or regulation within the 10 years immediately prior to registration.

[REDACTED]

[REDACTED]

[REDACTED]

1 [REDACTED]

Much like in the Delaware action, even though the principals were part of the settlement agreement, they were not the subject of the underlying investigation. In fact, the Final Order states at Finding of Fact 11 that “Commission Staff did not allege wrongdoing of individual officers, directors, or principals of AllStar.” In addition, although the principals involved were part of the settlement there were no findings that they, nor AllStar, had violated any regulations.

Neither the Applicant nor any of the Applicant’s principals are currently the subject of any pending civil, criminal or regulatory investigation or complaint involving any state or federal consumer protection law or regulation.

1. **ENERGY CONSUMPTION INFORMATION.** Customer hereby authorizes REP Energy, LLC to obtain Customer's current and historical electricity cost and usage data, payment and credit history, Dunn & Bradstreet number and other data reasonably necessary for REP Energy, LLC to provide electric service pursuant to this Agreement. Customer agrees, upon request, to provide REP Energy, LLC with facility descriptions, operating information, meter identification numbers and locations, and such other information available to Customer as REP Energy, may reasonably require providing electric service pursuant to this Agreement.
2. **BILLING FEES AND PENALTIES.** You will receive a single bill from your local utility for its charges, as well as REP Energy's. Your local utility will set your payment due date and inform you of the payment billing address. Your bill is subject to adjustment for any computation errors, meter misreads or other errors. REP Energy, LLC reserves the right to assume the billing function for our services. Our charges include the costs for the electricity component, which is sold in kilowatt hours (kWh), and a fixed monthly charge of \$4.75 for costs incurred in servicing your account as specified in your Authorization. Bills not paid in full by the due date will incur a late-payment fee at an interest rate of 1.5% per month on unpaid balances or otherwise in accordance with your local utility's policies and procedures. You will be charged a \$25 fee for each returned check. REP Energy, LLC and your local utility are each responsible for collecting any past-due amount owed on their respective bills. If you fail to pay a past-due amount owed to REP Energy, we may transfer your electric service back to the utility. We may perform a credit check prior to enrollment, and based on its results REP Energy, LLC may elect not to enroll you as a customer and provide you notice of such action. If you do not pay your bill on time, we may cancel this agreement for non-payment with 14 days written notice. If we cancel your service for non-payment, you must pay the balance owed plus any collection fees (including all legal fees and costs) plus any applicable liquidated charges stated in the Authorization. If you cancel your service prior to the termination of your contract period you shall be charged a liquidated damages fee of (3) months of the highest average consumption billed by REP Energy, LLC in a six (6) month period for business service. In the event there is less than six (6) months billed usage by REP Energy, LLC, the three (3) months highest average consumption will be based on the previous six (6) months historical consumption provided by the LDC.
3. **CHANGE IN TERMS.** REP Energy, LLC reserves the right, with 35 days written notice, to amend this agreement due to any regulatory, tariff or procedural change that may affect our ability to serve you under this agreement. If you do not wish to accept the material change in terms, you must notify REP Energy, LLC in writing within 14 days of receiving that notice. This agreement will then terminate after your next billing cycle and any unpaid balances will immediately become due. If we are unable to resolve any dispute or you are unsatisfied with our service you may file a complaint the New Hampshire Public Utilities Commission through their website www.puc.state.nh.us or by telephone 1-603-271-2431.
4. **DIRECT ACCESS AUTHORIZATION.** Customer shall execute all authorizations required by state or federal law to enable REP Energy to provide services pursuant to this Agreement. If, for any reason, an enrollment form is not submitted or Customer's EDC fails to approve an enrollment form submitted by REP Energy on Customer's behalf within three (3) months of the Effective Date, this Agreement may be terminated by either party, without penalty, by providing written notice of termination to either party.

However, if Customer is delinquent in paying in full on its account with its prior provider, then REP Energy shall have the right to cancel this Agreement without notice, at any time. Upon expiration of the Initial Contract Term this Agreement shall renew and continue by its terms and conditions on a month to month variable rate basis and the said variable rate for that month may be viewed on the REP Energy, LLC website at www.rep-energy.com on the first business day of the month. The price shall be reset at the then existing market price, and may be reset at each new month without prior written notice to Customer, until Customer mails a written notice to the other party at least 30 days prior to the intended cancellation date stating said intention in which event the termination will be effective at the end of the billing cycle following receipt of such notice or such date as REP Energy may state in its notice. At all times during this Agreement, REP Energy reserves the right to cancel service to the Customer if Customer fails to make payment of all amounts due REP Energy. Should cancellation for non-payment occur, in the event of cancellation for non-payment, this Agreement will be cancelled immediately.
