Re: DM 13-252, All Utilities
Objections to Public Utility Assessments
PSNH's Assent to Termination of Docket

Dear Director Howland:

On September 9, 2013, Public Service Company of New Hampshire ("PSNH") filed an objection to its public utility assessment for purposes of protecting its rights in the event another entity might challenge its assessment. Such a challenge was filed by Northern New England Telephone Operations, LLC and Enhanced Communications of Northern New England, Inc. On September 23, 2014, however, those entities advised the Commission and the parties that they wished to withdraw their objections and terminate the proceeding. Accordingly, and to the extent it may be deemed necessary, PSNH hereby: assents to the request to withdraw of September 23, 2014; requests to withdraw its own objection; and assents to the termination of the above-captioned proceeding.

Thank you for your assistance with this matter. If you have any questions about this matter, please do not hesitate to contact me.

Very truly yours,

Matthew J. Fossum
