Re: DE 13-275, Proposed Default Energy Service Rate for 2014
PSNH's Objection to Petitions to Intervene -CORRECTED

Dear Director Howland:

Enclosed please find Public Service Company of New Hampshire's Corrected Objection to the petitions to intervene of North American Power and Gas, LLC and Conservation Law Foundation in the above-referenced docket. The previously-submitted version incorrectly referenced Docket No. DE 08-103 in paragraphs 6 and 7 when it should have referenced Docket No. DE 13-108. This version contains the corrected references, but is otherwise identical to the prior version of this document filed earlier today.

If you have any questions, please do not hesitate to contact me. Thank you for your assistance with this matter.

Very truly yours,

Matthew J. Fossum
Counsel
