Re: DE 13-275 – Public Service Company of New Hampshire  
Proposed Default Energy Service Rate for 2014

Dear Director Howland:

Enclosed for filing please find an original and six copies of an update to the testimony and attachments of Eric H. Chung in the above-captioned docket to address a recently discovered issue with ISO load reporting. PSNH is filing this update in an effort to facilitate an equitable and timely resolution to this issue and to ensure an appropriate accounting of PSNH's default service costs.

Please do not hesitate to contact me with any questions. Thank you for your assistance with this matter.

Very truly yours,

Matthew J. Fossum  
Counsel
