RE: DT 13-282: Registration of tw telecom data services llc as a Competitive Local Exchange Carrier (CLEC)

Dear Ms. Wightman:

The application filed by tw telecom data services llc (TWT) to provide CLEC service in New Hampshire has been approved, as the accompanying certificate attests. TWT's registration number is CL-11-001-13.

As TWT conducts business in New Hampshire, the Commission expects the company to comply with all administrative rules and provide the highest level of customer service. Under its current rules, the Commission requires yearly updates of the company's progress which you will provide by filing NH Puc Forms CLEC 1 through 5 and CLEC-40 by March 31st of each year. Upon attaining its first retail customer, TWT must file with the Telecommunications Division NH Puc Form CLEC-12, *Initiation of Operations*. All such CLEC forms are available at our web site: www.puc.nh.gov. The Commission also requires notification from TWT of address changes, and of restructuring, acquisitions, or other major events regarding provision of services as outlined in Commission rules.

Please be aware that the Commission is in the process of revising its telecommunications rules and the requirements described above are likely to change. For your reference, documents and schedules related to this rulemaking can be reviewed at this location:
<http://www.puc.nh.gov/Regulatory/Docketbk/2012/12-036.html>.

Please refer to CL 11-001-13 in any future correspondence. If you or TWT have any questions, please do not hesitate to contact me in the Telecommunications Division at (603) 271-2431.

Sincerely,

Michael Ladam
