RE: Application number A-2013-0040  
Licensee reference number: PETERBORO-A02

Dear T. Parssinen:

This is to inform you that on 04/08/2013 our Fairpoint engineer notified us that the pole make-ready work performed by Fairpoint for SegTel Inc (PSNH) in the municipality of Pine St., Peterborough, NH in accordance with the above license application number, has been sufficiently completed so as not to impede the placement of your facilities. Please remember that you must also receive a license from the Electric Company before you begin to place your facilities.

Enclosed is the license being issued for this application, which you should retain permanently as a part of your records. Your next rental bill will reflect these additional attachments.

Also enclosed you will find Form 8 "Licensee to RCE Notification". As stipulated in the Pole Attachment Agreement or, if applicable (VT. PSB No. 26), written notification to Fairpoint is required within 10 days of placing your attachments. Please complete this form and fax or mail to the RCE listed on the form.

Please call 1-866-774-5228 to speak with a License Administration Associate should you have any questions.

Sincerely,

Mary E. Thompson

**PUBLIC SERVICE OF NEW HAMPSHIRE**  
**AUTHORIZATION FOR FIELD SURVEY WORK**

Licensee: segTEL, Inc.

In accordance with Article III & Appendix I of the Pole Attachment Agreement, following is a summary of the charges which will apply to complete a field survey covering Pole Attachment License Number Peterborough-A03 in the municipality of Peterborough in the State of New Hampshire.

**PRECONSTRUCTION ROADSIDE FIELD SURVEY CHARGES**

Field Survey	Number of Poles	Unit Rate	Total
Field Survey	1	\$5.38	\$5.38
Flat Fee		\$294.00	\$294.00
Total Charges			\$299.38

Please note, if the cost of the field survey was calculated incorrectly, your check will be returned and a new check for the correct amount must be received by this office in order to schedule the field survey. If you wish to have us complete the required survey, please sign this statement below and return with an advance payment in the total amount shown above.

**PRECONSTRUCTION RIGHT OF WAY FIELD SURVEY CHARGES**

The charges that will apply to complete a field survey that includes poles located in a PSNH Right Of Way will be estimated on a case by case basis after review by PSNH Civil Engineering. Due to the complexity, varying conditions and engineering factors required to complete a survey of requests to attach to poles located in a Right Of Way, a flat unit cost can not be provided. If you wish to have us complete the required field survey, please provide the location of the poles and the pole numbers and return it to the address below. PSNH Civil Engineering will review and send to you the prepayment cost for the survey within 14 days of receipt.

Mail application and, if applicable, prepayment and/or location of poles with pole numbers to Licensor.
