RE: DT 13-346: Notification of segTEL, Inc. d/b/a FirstLight Fiber for License to Construct and Maintain Fiber Optic Cable Across Public Waters

Dear Mr. Mills:

On December 6, 2013, segTEL, Inc. d/b/a FirstLight Fiber (FirstLight) filed a notification of its intent to construct and maintain a fiber optic cable between two existing utility poles, across public waters in the town of Peterborough. Commission staff has reviewed this notification and concluded that it meets all of the requirements of RSA 371:17-a.

The proposed crossing has therefore been granted a license, as the accompanying certificate attests. FirstLight's registration number for this crossing is CR-01-001-14.

Please refer to CR 01-001-14 in any future correspondence. If you or FirstLight have any questions, please do not hesitate to contact me in the Telecommunications Division at (603) 271-2431.

Sincerely,

A handwritten signature in black ink, appearing to read 'Michael Ladam'.

Michael Ladam
Assistant Director, Telecommunications
