**RE: DM 14-008, Mint Energy, LLC's Request for a Waiver & Submission of its Updated Customer Contract**

Dear Director Howland,

Enclosed, please find two items: **1)** Mint Energy, LLC's ("Mint Energy") Request for a Waiver Concerning and puc 2003.03, "Reporting and Financial Requirements of Competitive Electric Power Suppliers" and **2)** Mint Energy's updated Customer Contract Form.

In item 1, the attached waiver request, Mint Energy highlights why a waiver is in the best interest of the public and will not pose any potential issues to the New Hampshire Public Utility Commission ("The Commission").

Concerning item 2, Mint Energy, LLC hereby submits an updated Customer Contract Form to replace its previous form, initially filed with its Supplier Application.

Per the New Hampshire Code of Administrative Rules Part Puc 2003.01, Mint Energy filed a copy of all contract forms to be used for small commercial customers along with its competitive electric supplier application to the New Hampshire Public Utility Commission.

Following this filing, Mint Energy was informed that its customer contract should include language pertaining to the Commission's provisions for deposit interest rates, Puc 1203.03.

Mint Energy respectfully requests that The Commission replace Mint Energy's initial customer contract form with the new, updated version, enclosed in this letter. The new contract copy includes terms and conditions for deposit rates. Pursuant to New Hampshire Puc 203.02 & 203.03,

Mint Energy has provided two additional hard copies of the two items with this letter and emailed PDF versions of the waiver request and contract to [Executive.director@puc.nh.gov](mailto:Executive.director@puc.nh.gov)
