Re: Notice No. 2014-74
Commission Docket No. DRM 14-095, Puc 2500 Final Proposal

Dear Mr. Eaton:

On April 10, 2014, the Commission voted pursuant to RSA 541-A to initiate a rulemaking to readopt with amendment 2500, regarding Renewable Portfolio Standard Rules. A rulemaking notice form was filed with the Office of Legislative Services on May 8, 2014, as required by RSA 541-A:6. The notice was published in the Rulemaking Register on May 29, 2014. The notice scheduled a public hearing on the proposed Readoption with Amendment for June 27, 2014.

The hearing was held as scheduled, and comments were received from several parties involved. The Commission considered the public comment in establishing the text of the Final Proposal.

The Commission adopted the Final Proposal in a duly noticed public meeting on October 27, 2014. As required by the Rulemaking Manual, you will find enclosed one copy each of the following:

- A completed Appendix II-G, Cover Sheet for Final Proposal;
- The "Final Proposal—Fixed Text", including the cross-reference table required by RSA 541-A:3-a, II, and the Incorporation by Reference Statements, as required pursuant to RSA 541-A:12, III, as appendices A and B, respectively; and
- The "Final Proposal—Annotated Text" and
- Four completed copies of Appendix II-H for each document incorporated by reference.

Please let me know if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".

Debra A. Howland
Executive Director
