

APPENDIX II-H

INCORPORATION BY REFERENCE STATEMENT

**\*\*PLEASE LIST THE FOLLOWING:**

1. Name of Agency.        **Public Utilities Commission**
  
2. Person who has reviewed the material to be incorporated into the agency's rules:  

Name:	<b>Michael Sheehan</b>	Title:	<b>Staff Counsel</b>
Address:	<b>21 S. Fruit Street, Suite 10</b>	Phone #:	<b>603-271-6028</b>
	<b>Concord, NH 03301</b>		
  
3. Specific rule number where the material is incorporated:        **Puc 2505.02(d)(15) and  
Puc 2505.04(j)**

**\*\*PLEASE ATTACH THE FOLLOWING**, numbered to correspond to the number on this sheet (a separate sheet is not required for every item):

4. The complete title of the material which is to be incorporated including the date on which the material became effective (or a document identification number) or, if the material is undated Internet content, the date the material was accessed and printed, and the title of the entity that created or promulgated the material.

5. How the agency modified the text of the material incorporated, clearly identifying where amendments have been made to the text.

6. How the material incorporated can be obtained by the public (include cost and the address of the unrelated third party which published the material, and the Internet source URL if it appears in the rule, for example if the material is Internet content only available online).

7. Why the agency did not choose to reproduce the incorporated material in full in its rules. The discussion shall include more than the obvious reason that it is less expensive to incorporate by reference.

**\*\*PLEASE SIGN THE FOLLOWING:**

I, the adopting authority,\* certify that the text of the material which the agency is incorporating by reference in these rules has been reviewed by this agency. To the best of my knowledge and belief, this agency has complied with the requirements of RSA 541-A:12, IV and Section 3.12 of Chapter 4 of the Drafting and Procedure Manual for Administrative Rules. I further certify that the agency has the capability and the intent to enforce the material incorporated into the rules, as identified above.

Date:        October 27, 2014

Signature:        

Name:        **Martin P. Honigberg**

Title:        **Commissioner**

\*("Adopting authority" is the official empowered by statute to adopt the rule, or a member of the group of individuals empowered by statute to adopt the rule.)

4. The title of the material is “Emission Controls for Small Wood-Fired Boilers,” prepared for the United States Forest Service, Western Forestry Leadership Coalition, by Resource Systems Group, Inc., May 6, 2010.

5. The Commission did not modify the text.

6. The document is available at no cost from Western Forestry Leadership Coalition, 2850 Youngfield Street, Lakewood, CO 80215, and at the following link:  
[http://www.wflccenter.org/news\\_pdf/361\\_pdf.pdf](http://www.wflccenter.org/news_pdf/361_pdf.pdf).

7. The Commission did not reproduce the text in its rules because the document is large (39 pages) and because the document plays a relatively small role in administering the Puc 2500 rules, making full reproduction in the rules inappropriate.

APPENDIX II-H

INCORPORATION BY REFERENCE STATEMENT

**\*\*PLEASE LIST THE FOLLOWING:**

1. Name of Agency.        **Public Utilities Commission**
  
2. Person who has reviewed the material to be incorporated into the agency's rules:  

Name:	<b>Michael Sheehan</b>	Title:	<b>Staff Counsel</b>
Address:	<b>21 S. Fruit Street, Suite 10</b>	Phone #:	<b>603-271-6028</b>
	<b>Concord, NH 03301</b>		
  
3. Specific rule number where the material is incorporated:        **Puc 2506.03(a)**

**\*\*PLEASE ATTACH THE FOLLOWING**, numbered to correspond to the number on this sheet (a separate sheet is not required for every item):

4. The complete title of the material which is to be incorporated including the date on which the material became effective (or a document identification number) or, if the material is undated Internet content, the date the material was accessed and printed, and the title of the entity that created or promulgated the material.
  
5. How the agency modified the text of the material incorporated, clearly identifying where amendments have been made to the text.
  
6. How the material incorporated can be obtained by the public (include cost and the address of the unrelated third party which published the material, and the Internet source URL if it appears in the rule, for example if the material is Internet content only available online).
  
7. Why the agency did not choose to reproduce the incorporated material in full in its rules. The discussion shall include more than the obvious reason that it is less expensive to incorporate by reference.

**\*\*PLEASE SIGN THE FOLLOWING:**

I, the adopting authority,\* certify that the text of the material which the agency is incorporating by reference in these rules has been reviewed by this agency. To the best of my knowledge and belief, this agency has complied with the requirements of RSA 541-A:12, IV and Section 3.12 of Chapter 4 of the Drafting and Procedure Manual for Administrative Rules. I further certify that the agency has the capability and the intent to enforce the material incorporated into the rules, as identified above.

Date:                    October 27, 2014

Signature:            

Name:                    **Martin P. Honigberg**

Title:                    **Commissioner**

\*("Adopting authority" is the official empowered by statute to adopt the rule, or a member of the group of individuals empowered by statute to adopt the rule.)

4. The title of the material is GIS Operating Rules, effective July 25, 2014, published by the New England Power Pool Generation Information System (NEPOOL-GIS).

5. The Commission did not modify the text.

6. The document is available at no cost only from the NEPOOL-GIS website at the following link:  
<http://www.nepoolgis.com/2014/07/25/new-nepool-gis-operating-rules-effective-july-25-2014/>.

7. The Commission did not reproduce the text in its rules because the document is large (73 pages) and because the document plays a relatively small role in administering the Puc 2500 rules, making full reproduction in the rules inappropriate.

APPENDIX II-H

INCORPORATION BY REFERENCE STATEMENT

**\*\*PLEASE LIST THE FOLLOWING:**

1. Name of Agency.        **Public Utilities Commission**
  
2. Person who has reviewed the material to be incorporated into the agency's rules:  

Name:	<b>Michael Sheehan</b>	Title:	<b>Staff Counsel</b>
Address:	<b>21 S. Fruit Street, Suite 10</b>	Phone #:	<b>603-271-6028</b>

**Concord, NH 03301**
  
3. Specific rule number where the material is incorporated:        **Puc 2506.04(e)(1)**

**\*\*PLEASE ATTACH THE FOLLOWING**, numbered to correspond to the number on this sheet (a separate sheet is not required for every item):

4. The complete title of the material which is to be incorporated including the date on which the material became effective (or a document identification number) or, if the material is undated Internet content, the date the material was accessed and printed, and the title of the entity that created or promulgated the material.
  
5. How the agency modified the text of the material incorporated, clearly identifying where amendments have been made to the text.
  
6. How the material incorporated can be obtained by the public (include cost and the address of the unrelated third party which published the material, and the Internet source URL if it appears in the rule, for example if the material is Internet content only available online).
  
7. Why the agency did not choose to reproduce the incorporated material in full in its rules. The discussion shall include more than the obvious reason that it is less expensive to incorporate by reference.

**\*\*PLEASE SIGN THE FOLLOWING:**

I, the adopting authority,\* certify that the text of the material which the agency is incorporating by reference in these rules has been reviewed by this agency. To the best of my knowledge and belief, this agency has complied with the requirements of RSA 541-A:12, IV and Section 3.12 of Chapter 4 of the Drafting and Procedure Manual for Administrative Rules. I further certify that the agency has the capability and the intent to enforce the material incorporated into the rules, as identified above.

Date:                    October 27, 2014

Signature:            

Name:                    **Martin P. Honigberg**

Title:                    **Commissioner**

\*("Adopting authority" is the official empowered by statute to adopt the rule, or a member of the group of individuals empowered by statute to adopt the rule.)

4. The title of the material is Standard BS EN 1434-1 (2007 edition) from CEN, the European Committee for Standardization.

5. The Commission did not modify the text.

6. The document is available for \$234.90 only from the internet, including the following authorized seller of the English version: <http://shop.bsigroup.com/SearchResults/?q=bs%20en%201434-1:2007>.

7. The Commission did not reproduce the text in its rules because of copyright issues.

APPENDIX II-H

INCORPORATION BY REFERENCE STATEMENT

**\*\*PLEASE LIST THE FOLLOWING:**

1. Name of Agency.        **Public Utilities Commission**
  
2. Person who has reviewed the material to be incorporated into the agency's rules:  

Name:	<b>Michael Sheehan</b>	Title:	<b>Staff Counsel</b>
Address:	<b>21 S. Fruit Street, Suite 10</b>	Phone #:	<b>603-271-6028</b>
	<b>Concord, NH 03301</b>		
  
3. Specific rule number where the material is incorporated:        **Puc 2506.04(m)(12)**

**\*\*PLEASE ATTACH THE FOLLOWING**, numbered to correspond to the number on this sheet (a separate sheet is not required for every item):

4. The complete title of the material which is to be incorporated including the date on which the material became effective (or a document identification number) or, if the material is undated Internet content, the date the material was accessed and printed, and the title of the entity that created or promulgated the material.
  
5. How the agency modified the text of the material incorporated, clearly identifying where amendments have been made to the text.
  
6. How the material incorporated can be obtained by the public (include cost and the address of the unrelated third party which published the material, and the Internet source URL if it appears in the rule, for example if the material is Internet content only available online).
  
7. Why the agency did not choose to reproduce the incorporated material in full in its rules. The discussion shall include more than the obvious reason that it is less expensive to incorporate by reference.

**\*\*PLEASE SIGN THE FOLLOWING:**

I, the adopting authority,\* certify that the text of the material which the agency is incorporating by reference in these rules has been reviewed by this agency. To the best of my knowledge and belief, this agency has complied with the requirements of RSA 541-A:12, IV and Section 3.12 of Chapter 4 of the Drafting and Procedure Manual for Administrative Rules. I further certify that the agency has the capability and the intent to enforce the material incorporated into the rules, as identified above.

Date:        October 27, 2014

Signature:        

Name:        **Martin P. Honigberg**

Title:        **Commissioner**

\*("Adopting authority" is the official empowered by statute to adopt the rule, or a member of the group of individuals empowered by statute to adopt the rule.)

4. The title of the material is *Industrial Formulation 1997* (August 2007 edition), published by the International Association for the Properties of Water and Steam (IAPWS).

5. The Commission did not modify the text.

6. The document is available at no cost only from the IAPWS website at the following link:  
<http://www.iapws.org/relguide/IF97-Rev.pdf>

7. The Commission did not reproduce the text in its rules because of copyright issues, because the document is large (49 pages), and because the document will apply in a relatively small number of situations, making full reproduction in the rules inappropriate.
