RE: NHPUC No. 7 Tariff for Granite State Telephone, Inc.

Dear Lisa:

Enclosed is the Ninth Revision of Page 3, Section 17 of our NHPUC No. 7 Telephone tariff. We discovered a clerical error in Section 17.2.3 (C). On our Interstate tariff, the Information Surcharge rate element for terminating minutes of use was merged into the composite Terminating Local Switching rate element. We incorrectly recorded the originating access minute of use rate on our earlier tariff submission. Accordingly, the revised rate for Section 17.2.3 (C) Information Surcharge for terminating minutes of use should be \$0.000000. Also, enclosed are two pages from NECA Tariff FCC No. 5 showing the new rate.

If you have any questions about this revision, please feel free to call me at 603-529-6258 or e-mail me at sschilling@gsn.net. Thank you in advance for your cooperation in this matter.

Sincerely,

Steven P. Schilling
