Re: Northern Utilities' expansion of its natural gas infrastructure

Dear Ms. Howland:

The Exeter Board of Selectmen strongly support Northern Utilities' request to expand natural gas service to the Western portion of Exeter.

We believe the expanded availability of natural gas service in Exeter will have a positive impact on the great Exeter community, as well as the State of New Hampshire. This is being met with great enthusiasm and excitement by the Exeter community.

Very Truly Yours,

Julie Gilman  
Board of Selectmen, Chair
